GLOBAL TRAINING INSTITUTE

Elevate Your Leadership: Achieve Maximum Influence

GTI - Coordination Office and International Relations (Accredited Programs)

Course Description

This training course is designed to empower participants to maximize their leadership effectiveness through self-discovery and skill development. Attendees will learn to communicate effectively, understand the traits of successful teams, and manage emotionally charged situations. Effective leadership hinges on building strong relationships and influencing others, and this program will equip leaders with essential self-management strategies to bridge the gap between aspirations and achievements. Participants will explore key leadership skills, innovative approaches, and practical applications to enhance their capabilities, ultimately preparing them to meet the challenges of modern leadership.

Who Should Attend

This course is suitable for a diverse range of professionals looking to enhance their leadership skills. It is particularly beneficial for:

- Team Leaders and Supervisors aiming for increased effectiveness
- Managers seeking career advancement and development
- Newly appointed leaders looking for foundational strategies
- Leaders interested in cultivating self-awareness and enhancing personal effectiveness

Course Objectives

Upon completion of this course, participants will be able to:

- Conduct self-assessments to identify personal strengths and weaknesses in leadership.
- Apply the characteristics and practices of effective leadership.
- Build cohesive teams by recognizing the traits of high-performing groups.
- Enhance listening and communication skills for improved workplace interactions.
- Develop conflict resolution strategies to address challenges in the workplace.
- Foster openness to new ideas and innovative approaches.
